## Tentative Running Order

<b>Saturday &amp; Sunday</b>
Premier Standard Premier JWW Master/Excellent.Standard Master/Excellent.JWW Open Standard Open JWW Novice Standard Novice. JWW
<b>All classes - Tall to Small</b>

Check in 7:30am – General Briefing 7:45 am - Walkthroughs to be decided

**Course Familiarization and Warm-Ups** Handlers in all classes are permitted to walk the course without a dog prior to the start of the class as directed by the judge to plan their strategy. Judges briefing will outline the course and answer handler questions. A warm up jump will be provided for each ring.

**Measuring and Height Card Information** When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the **Dogs To Be Measured List**.

Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

**Height Divisions** Owners are responsible for entering the proper height divisions. Judges reserve the right to measure dogs without a valid height card.

Dogs **may not** enter both **Regular** and **Preferred** classes for the same set of trials for the weekend.

Regular	Preferred	
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
26"	NA	Dogs may be entered at this height at their owners' discretion

Handlers may opt to run in a higher height division but not in a division lower than their proper height. Dogs that run in a division lower than their proper height will be eliminated. Preferred dogs must run at their measured height.

## Notice to Exhibitors

Safety of the dogs is our primary concern. By entering this, Exhibitors acknowledge that they are familiar with the rules and regulations of this sport and their dogs are familiar with and able to perform all obstacles safely.

Exhibitors should follow their veterinarian's recommendations to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Single copies of the latest edition of the rules may be downloaded without charge at [www.akc.org](http://www.akc.org) or ordered from the AKC online through the AKC store.

**Ringside** Exhibitors are responsible for being at ringside when it is their turn to run. Gate Stewards are only following directions to keep the trial moving smoothly for all. Please treat all volunteers working this trial for you with respect.

**Obstacles** Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility. All contacts are rubberized and weave poles are 24" spacing.

**Collars** At the handler's option the dog may wear a FLAT or rolled leather collar but there shall be no attachments hanging or otherwise on collars. Choke collars, pinch collars, electric and dummy collars, Halties and Gentle leaders are prohibited. Food, toys and whistles or other training devices are not allowed in the course area.

**Leashes** **All dogs must be on leash** (with the leash in owner's or handler's hand; not dragging on the ground) **at all times** except when in the Ring or when in designated Agility warm up areas. Flexi leads are not recommended in crating or course area.

**Catalogs** Pre-order - \$7.50 each. A limited number of catalogs will be available for purchase at the site - \$10.00 each. Running Order sheets will be posted and will be available to exhibitors for download at: (<http://agilitytrialservices.com/html/schedules.html>) after closing. You may print a copy in advance (if desired) in lieu of copies available during the trial weekend.

**Refunds** No entry fee will be refunded if the Trial cannot open or be completed by reason of riots, civil disturbance, fire, act of God, public emergency, act of public enemy or any other cause beyond the control of the organizing committee. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused by Vet or judge or barred from the competition by act of the Trial Committee. **No refunds are offered for sick or injured dogs or handlers.**

**Withdrawals** For bitches that come into season after the closing date, the entry fee less \$10.00 per day will be refunded if a letter from Veterinarian is received by 30 minutes before the first class in which the dog is entered.

**Move Ups** Dogs finishing the requirements for a title may move up to the next level of competition in accordance with AKC Agility rules. **Pre-trial move ups must be made in writing to the Trial Secretary no later than 6:00 pm CDT on Monday, September 19, 2017.** Verbal requests will not be accepted. If you need to move up, complete the form and on the next page and mail to:

**David Behrens - SJVAC Trial Secretary** 11013 W. Monee-Manhattan Rd., Monee IL 60449

Email move-ups are also acceptable. In your email, please send all of the identifying information to: [agilityentry@agilitytrialservices.com](mailto:agilityentry@agilitytrialservices.com). After the close of entries a dog may be moved down in their class level. The request for the move to the class for which the dog is eligible must be in writing and submitted to the superintendent or trial secretary at least 30 minutes prior to the start of the trial.
